It is well known in halachic circles the greatness of the noted Rav and Gaon, teacher and judge etc, our teacher Rav Ben Zion Yaakov Halevi Wozner Shlita, who heads a Rabbinical court and is a Rav in Monsey. He is a person who can be relied on in areas of halacha. Included in his areas of expertise is establishing Eruvin which he has already successfully done with attention to the fine details of these halachos. Even people who set the highest standards (Medhadrin) can rely on him, as he is the worthy son of the great Gaon, unequalled in his generation in his judicial decisions and righteousness, our teacher Ha'Gaon Moharas"h Shlita, whom the entire Jewish nation relies on.

With this let there be peace.
