

THE PURSUIT OF EXCELLENCE

We are pleased to announce the opening of Lander College for Men in Queens in September, 2000. Lander College for Men offers unique opportunities for Jewish higher education that is dynamic yet traditional, rigorous yet personalized. ♦ Lander College's affiliated Beit Midrash Le-Talmud offers an intensive program of Gemara study under the leadership of the distinguished *talmid chacham* Rabbi Abba Bronspigel, renowned for the warm personal attention he devotes to each student. ♦ Classes at the College begin at 3:00 pm, and a demanding curriculum is offered in such fields as business, the natural sciences, computer science, psychology and political

science. Accomplished, research-oriented faculty, small group seminars, faculty and professional mentors all contribute to a superb education for academically superior students. ♦ The College is located in Kew Gardens Hills, one of New York's safest, most Jewish and desirable neighborhoods.
