THROUGH FOLLOWING THE EVIL FASHION WE PUSH HASHEM AWAY FROM OUR LIVES R’L

THE CHOFETZ CHAYIM

The Chofetz Chayim wrote: “And I said that the main reason (For all our troubles and suffering) is that we push Hashem away from our lives...The issue is that this evil fashion brings a man to evil thoughts...and they annul with this the commandment of the Holy One Blessed be He “And your camp shall be holy and no nakedness shall be seen in it”, and due to our many sins an evil lust has fallen on the vine of Hashem and the strength of the impurity is greatly increased through this...And due to this the supervision and the blessing from Hashem has ceased from everyone’s occupation and we have suffered through this many tribulations...Therefore it is incumbent upon all men to put out this fire and to see to it that his house will be handled according to the Halacha and to avoid immodest practices, and this obligation is all the more incumbent upon the Rabbonim

**IT IS BETTER FOR A PERSON TO BE CONSIDERED A
FOOL THROUGHOUT HIS ENTIRE LIFE BY MAN,
THAN TO BE CONSIDERED WICKED FOR ONE
MOMENT IN THE EYES OF HASHEM
(MISHNA EDUYOT 5:6)**
