IMMORALITY AND INDECENCY**

THE CHATAM SOFER ZTK'L

When will the suffering end?

The Holy Rabbi the Chatam Sofer ZTK'L wrote the following Taharat Yom Tov) “This aspect of this final Exile whereby it is harder than all other exiles and there’s no day that doesn't bring worse curses than the prior day, this is because in the prior exiles there was no indecency or immodesty in women’s dressing, nowadays however it is not thus, due to our many sins immodesty is common among women, which is a graver sin than all others in the Torah

**IT IS BETTER FOR A PERSON TO BE CONSIDERED A

(MISHNA EDUYOT 5:6)**
