

WORLD ORGANIZATION FOR SHIDDUCHIM

A Call to those who fear the word of Hashem, to those strong and brave men who do the will of The Holy One Blessed be He in every city all over the world.

It is revealed and known to all the difficult situation regarding Shiduchim, and due to our many sins, there are hundreds of thousands of young men and young ladies, observant and respectful of the Mitzvot of Hashem, who find it very difficult to meet a partner, and whose dear parents suffer and sigh, with their hearts broken within them from all the suffering of raising their children, and their souls yearn and thirst to bring their sons to the Chuppa and to find a Shidduch for their daughters, and their eyes are dimmed, and they have no strength to solve their problem because the inmate can not free himself from prison, may

Hashem have mercy on them and bring an end to their suffering, for it is great and it is almost unbearable for them.

Therefore our hearts are greatly rejoiced to hear the good news that revive the soul, that in the last few days some faithful Community leaders, as well as men of good heart and good name awakened themselves when they saw the great suffering of our people, and they said that this was not the time to sit calmly doing nothing while their brothers are suffering. So their hearts wished to do something good with the help of the Holy One of Israel, to be partners with the Holy One Blessed be He, whose task is to sit all day and arrange partners for marriage. And so they have established the WORLD ORGANIZATION FOR SHIDUCHIM – “MERKAZ SHIDUCHE NISSUIN HAOLAMI”, whose purpose is to establish organizations in every place, and to be involved in this great Mitzvah, to be a help to their brothers and sisters and find for them their right partner, and there is no bigger Mitzvah than this one.

And an endeavor like this to establish and begin an institution like this one requires tools, like computers, and therefore we ask and

beg you that you help us bring our fellow Jews to the Chuppa, we ask you to help us with an open and generous hand. We ask for your support both material and human for we also need people who will run the organization in the various places that it will be required.

And in the merit of this Tzeddaka the words of the prophet will be fulfilled in all of us: *ODD YESHAMA BE ARE YEHUDA UBECHUTZOT YERUSHALAIM KOL SASON VE KOL SIMCHA KOL CHATAN VE KOL KALA*” AMEN
